RECRUITMENT ADVERTISING

The classified advertisements of interest to IEEE members have been placed by educational, governmental, and industrial organizations, as well as by individuals seeking positions. The IEEE encourages employers to offer salaries that are competitive, but occasionally a salary may be offered that is significantly below currently accepted levels. In such cases the reader may wish to inquire of the advertiser whether extenuating circumstances may apply.

IEEE Spectrum may reject any advertisement that contains any of these phrases: "Recent college grads," "1 to 4 years maximum experience," "Up to 5 years experience," or "10 years maximum experience." Further, IEEE reserves the right to amend any such advertisement without specific notice to the advertiser in order to conform to the Age Discrimination in Employment Act.

Printing Method: Web offset. IEEE Spectrum subscribes to SWOP (Specifications for Web Offset Publications) standards. For complete mechanical requirements, write IEEE Spectrum Magazine, Advertising Production Department. See mailing instructions for address.

SUPPLIED ADVERTISING MATERIAL

Electronic Advertising Files:

- Press-ready Adobe PDF files (preferred)
- EPS Files (Note: When saving as EPS file, be sure to include tiff images in CMYK and supply a list of fonts that are used within that file. Send EPS files on CD along with original application file with digital proofs — color if applicable.)

Proofing: For color ads, 1 SWOP press proof with color bars or off-press proof.

Maximum Screen: 133 lines

Maximum Tonal Density:

Black & White 85% for areas not intended to print solid.
 Black & 1 Color 160%
 4 Color 300% with only one solid.

Trim Size: 7-7/8" x 10-1/2". The live copy area for bleed is 7" x 10".

Live Material for Bleed Units: For bleed pages, columns, and halves, keep essential matter 3/8" from top, bottom and 1/2" from left and right side of all pages, and at least 5/8" from bleed edge on both pages of facing page spread.

Live material in facing pages should not be closer than 1/8" on each page to center fold. Publisher reserves right to crop 3/16" from either side of full pages and two-column units and 1/4" from either side of one-column units to compensate for variation in trim page size. Engraver's mark must be etched in bearer top and bottom at center of each page for guide in cutting apart.
